Why Sponsor

Sponsoring the 2026 CalCSA Policy Symposium gives your organization direct visibility and access to the leaders shaping child support program across California's 58 counties and regions. This one-day forum connects you with decision-makers and practitioners at a pivotal moment of change, positioning your organization as a trusted partner in advancing solutions that support children and families statewide.

About CalCSA

The California Child Support Association (CalCSA) is a nonprofit organization representing local child support agencies across all 58 California counties. Since 2000, CalCSA has supported these agencies in advancing policies and practices that strengthen outcomes for children and families statewide.
